Simon Fraser University

Dear Dr. Perera

Re: Approval of Educational Program

The Accreditation Committee of the Statistical Society of Canada has approved the application for the updated undergraduate course list that you submitted on behalf of Simon Fraser University.

The updated courses will be included along with the existing approval for the undergraduate program, approved on the 26th of May 2019 and will expire on May 26th, 2024. So that your application for renewal can be considered in a timely manner, you are requested to submit the application for renewal six (6) months before the expiry date.

The approved list of courses from your Department will be posted on the SSC website and is enclosed with this letter. Your Department is encouraged to promulgate this course list to your students. Should there be a change to any course on this list, please email the Chair of the Accreditation Committee at accreditation@ssc.ca with a revision of the enclosed WORD form for Simon Fraser University.

Your Department is encouraged to add the following wording in your University's calendar or other documents.

> The Statistical Society of Canada has accredited certain courses as partially satisfying the requirements for the Associate Statistician (A.Stat.) designation. Please contact the Department for details. Further information on the Professional Statistician (P.Stat.) and Associate Statistician (A.Stat.) designation is available at http://www.ssc.ca.

Your Department is also encouraged to have its graduating statisticians apply for the A.Stat. accredited designation. More information is available to potential applicants on the SSC website.

The Accreditation Committee extends its congratulations on achieving this level of distinction.

Cordially,

Jenna Sykes, MMath, P.Stat.
