Reviewer Declarations

Your signature below confirms that you will maintain the strict confidentiality of the review process.

The Accreditation Committee suggests that you delete files pertaining to the review six months after completing the review; the Office will store the review materials indefinitely.

Details of your review will be held in confidence, but an edited anonymous version will be given to the applicant as part of the feedback provided in the case of an overall negative recommendation. Such feedback may also be requested by the applicant in the case of a positive recommendation.

Signature:
